I Francis M. C. Ray of the City of Belleville, County
of Hastings, solemnly declare and affirm;

1. That I have set down in the above Assessment Roll all the real property liable to taxation situated in the Municipality of Belleville, and the true actual value thereof in each case according to the best of my information and judgment.
2. That the said Assessment Roll contains a true statement of the aggregate amount of the personal property, or of the taxable income of every party named on the said roll and that I have estimated, and set down the same according to the best of my information and belief.
3. That I have entered thereon the names of all the resident householders, tenants, and freeholders, and of all other persons who have required their names to be entered thereon, with the true amount of property occupied or owned, or of income received by each, and that I have not entered the name of any person whom I do not truly believe to be a householder, tenant or freeholder, or the bonafide occupier, or owner of the property, or in receipt of the income set down opposite his name for his own use, and benefit, or otherwise to be entitled by law to be so entered.
4. I further say that I have not entered the name of any person at too low a rate in order to deprive such a person of a vote, or too high a rate in order to give such a person a vote, and that the amount for which each such person is assessed upon the said roll truly and correctly appears in the notice delivered or transmitted to him.
5. I further say, that I have not entered the name of any person in the above roll, or improperly placed any letter or letters in Column 14 opposite any name with intent to give any person not entitled to vote, a right of voting, and that I have not intentionally omitted from the said roll the name of any person whom I believe entitled to be placed thereon, nor have I in order to deprive any person of a right of voting, omitted from Column 14 opposite the name of such person any letter or letters which I ought to have placed there.
